Brand New Book ***** Print on Demand *****.Excerpt from Fiscal Legislation, 1842-1865: A Review of the Financial Changes of That Period, and Their Effects Upon Revenue, Trade, Manufactures and Employment The writer of the following pages has endeavoured to present a clear and concise narrative of the fiscal changes adopted since 1842, and of their effects upon the revenue, trade, manufactures, and employments of the United Kingdom. The period under review has been marked by a series of bold financial measures, which have remodelled the details of British taxation, and have conferred upon this country a degree of prosperity unexampled in its previous history. These measures include the revision, on four separate occasions, of the Customs Tariff, the repeal of the Corn and Navigation Laws, the abolition of the great majority of Customs and Excise Duties, and the negotiation and ratification of the French Treaty. The arguments employed for and against these measures have been stated, as far as practicable, in the language of the various speakers as recorded in Hansard's Parliamentary Debates. The statistical tables have been compiled from the annual statements...

Reviews

A superior quality book along with the font employed was exciting to see. It is one of the most amazing book i have got read through. You wont really feel monotony at anytime of the time (that's what catalogs are for about in the event you ask me).
