Excerpt: . . . 11 would work in pairs or small groups and software that was conducive to student-based, project-based learning. We have ongoing staff development, which is very important. We meet 1 day a month, at least, and often 3 to 4 days during the summer. My position is to provide the staff development for the teachers, assist them in planning and integration and be available daily in the classrooms with the teachers and students. The evaluation of our grant is done by the Metiri Group of Los Angeles, California. They are looking to establish a correlation between project activities and student learning. They are also measuring the impact of this project on the educators vision for the role of technology in the curriculum, advances in teacher proficiency using teaching strategies involving technology and changes in the learning environment. We have had many successes in this first year...

Reviews

Certainly, this is actually the greatest job by any publisher. It is really simplistic but shocks within the 50 % of the pdf. I am just happy to tell you that this is the very best ebook i have read in my own lifestyle and may be the greatest ebook for actually.

-- **Marge Jacobson MD**

This ebook will never be straightforward to get started on looking at but really fun to read. It is amongst the most incredible publication i have got read through. I realized this pdf from my i and dad encouraged this publication to learn.
