CreateSpace Independent Publishing Platform. Paperback. Book Condition: New. This item is printed on demand. Paperback. 102 pages. Dimensions: 8.5in. x 8.5in. x 0.2in. This book will tell you about impressive encounters between a human being and dolphins. It is the story of a woman named Ocean, who has dedicated her life to dolphins. It is a meditation in itself and will move you deeply. Your heart will open up to all the beauty and the indispensable gifts oceans and seas have to offer us. The prose, poems, and photographs connect us, through the dolphins, to the essence of life. The land with all its life cannot exist without the water with all its life. This book aims to be a source of inspiration, information, and education. It shows us the role of dolphins and whales in all of this, and offers guidelines for interaction with them. It is meant to be a practical guide with simple solutions, and a supportive beacon, based on decades of the authors own experience, for people who still wish to visit the natural habitat of the dolphins. Ocean says, Dolphins and whales are the bearers of pure and clear consciousness. This makes them highly sensitive and the power of their love raises the frequency of our planet. The energy of dolphins and whales is always present on Earth and will be resonating forever. Dolphins are a spontaneous...
