

MAKE EVERY SHOT COUNT!: GET THE MOST OUT OF YOUR HUNTING RIFLE UNDER FIELD CONDITIONS

Filesize: 5.16 MB

Reviews

Extremely helpful for all class of folks. I really could comprehend almost everything using this written e publication. You will not feel monotony at any time of the time (that's what catalogs are for about in the event you check with me).

(Prof. Melyna Dooley V)

MAKE EVERY SHOT COUNT!: GET THE MOST OUT OF YOUR HUNTING RIFLE UNDER FIELD CONDITIONS

Safari Press, 2014. Hardcover. Book Condition: New. Dust Jacket Condition: New. 1st Edition... 258 pages. Hardcover with a dust jacket. Well illustrated. All color. We all like to think we are pretty good with a rifle in the field, but we all have limits. Of course, most of us can punch holes in the ten-ring off the bench, but conditions on the range differ from real life. It's not too difficult for most of us to make an eight-yard shot from a solid rest in the field. But when that big mule deer appears at the head of the canyon two hundred fifty yards away, when you rifle is buffeted by a monster cross wind, and when you can't get comfortable, can you make an accurate, killing shot the first time, every time? Olmsted knows how to shoot and he knows how to hit fast and accurately, As a former Marine rifleman, NRA-certified rifle instructor, graduate of premier shooting schols, and the editor-in-chief of the NRA's American Hunter magazine, he knows his business.and he's an expert marksman. In Make Every Shot Count!, he leverages all his personal knowledge and that of other experts - former U.S. military Special Forces personnel, veteran shooting-school instructors, big-game guides, and others - to present an authoritative, seasoned approach aimed at making any hunter a better shooter. Excellent! Language: eng Language: eng Language: eng.
