Createspace, United States, 2013. Paperback. Book Condition: New. Illustrated. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Seven short stories involving the number seven are selected from several books of fairy tales from different sources. These tales are designed to be fascinating reading for young children. The tales are: (1) The Story of the Seven Simons, (2) The Wolf and the Seven Young Goslings, (3) Udea and Her Seven Brothers, (4) The Seven Wives of Bluebeard, (5) The Son of Seven Mothers, (6) The Seven Sleepers, and (7) The House of the Seven Santas. Children have enjoyed reading these fairy tales for years and it is good to find them in one single volume. This is the second book in this series. The stories increase in both size and difficulty from the first book to the last book in the series. In this second book, there are a couple of longer stories designed for older children.
