

Left Brain Right Brain: 50 Puzzles to Change the Way You Think

By Charles Phillips

Connections Book Publishing Ltd. Paperback. Book Condition: new. BRAND NEW, Left Brain Right Brain: 50 Puzzles to Change the Way You Think, Charles Phillips, Did you know that you think in one of two ways? You use either your left-brain more and focus on the detail of a particular scenario, or your right-brain and see the big picture. Now you can find out which way you think and then you can do something about it! There are two groups of puzzles in this book: to balance your thinking, left-brain thinkers should tackle those in the right-brain section, and right-brainers those in the left-brain group. By stretching your mind in this way you are broadening and balancing the way you think. Now, with whole-brain thinking, you can face all puzzles with confidence - including those in everyday life! It's a no-brainer!.
