This item is printed on demand - Print on Demand Neuware - Seminar paper from the year 2003 in the subject English Language and Literature Studies - Comparative Literature, printed single-sided, grade: Good, University of Dusseldorf 'Heinrich Heine' (Anglistics), course: Contemporary Literature Theory and Criticism, 20 entries in the bibliography, language: English, abstract: Criticism, is the overall term for studies concerned with defining, clasifying, analysing, interpreting, and evaluating works of literature. 1 What I m going to analyze in this work is not criticism, but theoretical criticism . Theoretical criticism proposes a theory of literature, in the sense of general principles, together with a set of terms, distinctions and categories , to be applied to identifying and analyzing works of literature, as well as the criteria 2 by which these works and their writers are to be evaluated. Since the 1970s there has been a flood of writings, Continental, American and English, proposing diverse nove l and radical forms of critical theory. Why do we need criticism In order to understand texts or to give them the right interpretation 3. But can one speak about a right interpretation In...

Reviews

Great electronic book and useful one. It can be writter in straightforward terms rather than difficult to understand. Once you begin to read the book, it is extremely difficult to leave it before concluding.
