

Clinical Pathology for Athletic Trainers: Recognizing Systemic Disease (Hardback)

By Daniel P. O Connor, A. Louise Fincher

SLACK Incorporated, United States, 2014. Hardback. Book Condition: New. 3rd Revised edition. 259 x 183 mm. Language: English . Brand New Book. Written specifically for athletic trainers, by athletic trainers, the updated Third Edition of Clinical Pathology for Athletic Trainers emphasizes practical knowledge; development of clinical skills, including evaluation and treatment; and development of clinical decision-making abilities. The Third Edition incorporates full-color photos and images to enhance readers understanding of the common non-orthopedic pathology that may occur in athletes and physically active people. Chapters are organized by body systems and emphasize the clinical presentation, diagnosis, acute care, long-term management, and return to participation criteria for systemic illnesses and injuries. Dr. Daniel P. O Connor and Dr. A. Louise Fincher have incorporated the competencies from the Athletic Training Education Competencies (5th Edition) that are associated with the non-orthopedic conditions discussed in this unique text. Competencies that are addressed throughout the text are still conveniently listed at the beginning of each chapter in which they are referenced. What's New in the Third Edition : Full-color photos and graphics throughout. Updated head injury screening, evaluation, and return to participation criteria to be consistent with current recommendations. Integration of up-to-date NATA Position Statements...
