RECONSTRUCTION IN TEXAS, VOL. 36 (CLASSIC REPRINT) (PAPERBACK)

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English Brand New Book ***** Print on Demand *****.Excerpt from Reconstruction in Texas, Vol. 36 In narrating the process of reconstruction in any of the Southern States, one is naturally drawn into a sympathetic attitude toward the people whose social and political system was being reconstructed. But, though this is essential to a clear understanding and a just portrayal of their problems, their motives, and their acts, it is equally necessary to keep in mind the great and pressing problems that confronted the national government and the forces that determined its policies. An exposition of the national point of view is, of course, precluded here by the character and limitations of the subject, but the author has been careful to keep it in a corner of his mind, and has often found it a valuable corrective. It is hoped that this monograph may present in fairly clear outline a period that has left a deep impress upon the later history, the political organization and the public mind of Texas. Chapters III to VI, with slight modifications, are reprinted from the Quarterly of the Texas State Historical Association, with the kind permission of the editor, Professor George P. Garrison.
