Reviews

Merely no words to clarify. I could comprehend almost everything using this published e publication. It is extremely difficult to leave it before concluding, once you begin to read the book.
(Lori Terry)

CreateSpace Independent Publishing Platform. Paperback. Book Condition: New. This item is printed on demand. Paperback. 84 pages. Dimensions: 11.0in. x 8.5in. x 0.2in. Green jobs good for the environment, good for the economy. But how do we assure that green jobs are also good for workers? The National Institute for Occupational Safety and Health (NIOSH), through the Prevention through Design Program, launched the Going Green: Safe and Healthy Jobs initiative to make sure that green jobs are good for workers by integrating worker safety and health into green jobs and environmental sustainability. Green jobs, which have been defined broadly as jobs that help improve the environment and enhance sustainability, offer opportunities as well as challenges for workers. Examples of green jobs include manufacture, installation, and maintenance of solar panels and generators; construction and maintenance of wind energy turbines; jobs related to recycling; jobs related to the manufacture of green products; and jobs where green products are used in traditional fields such as agriculture, healthcare, and the service sector. In some instances, the hazards to workers may be similar to those in established industries. However, some green and sustainable practices may pose new health concerns for workers. In December, 2009, NIOSH, along with our sponsors, the Occupational Safety and Health Administration, Environmental Protection Agency, National Institute of Environmental Health Sciences, and the National Toxicology Program convened the Making Green Jobs Safe Workshop to gain input from 170 representatives from the occupational safety and health and environmental communities within industry, labor, academia, government agencies, and nongovernment organizations to discuss the occupational hazards and risks associated with green jobs and determine how to emphasize that green jobs should be safe and healthy for workers. This report is a summary of their words and deliberations. The outcomes of the workshop were considered in the development of...
