At these words from the prisoner, a shout arose in which oaths and mocking laughter mingled like the growling and snapping of hunger-maddened wolves. Then if I must die, Gledware cried, his voice, in its shrill excitement, dominating the ferocious insults of the ruffians, don t kill the child - you see she is asleep - and she s so young - only five. Even if she were awake, she wouldn t know how to tell about this cabin. For God s sake, don t kill the little girl! Since the seizure of Gledware, the child had been lying on the rude table in the midst of a greasy pack of cards - cards that had been thrown down at the sound of his galloping horse.
