

Complete Guide to Spotting Accounting Fraud & Cover-Ups: Everything You Need to Know Explained Simply

Filesize: 1.32 MB

Reviews

Simply no phrases to clarify. It is really basic but surprises from the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.

COMPLETE GUIDE TO SPOTTING ACCOUNTING FRAUD & COVER-UPS: EVERYTHING YOU NEED TO KNOW EXPLAINED SIMPLY

Atlantic Publishing Co. Paperback. Book Condition: new. BRAND NEW, Complete Guide to Spotting Accounting Fraud & Cover-Ups: Everything You Need to Know Explained Simply, Martha Maeda, In 2009, high-profile fraud cases like the Ponzi schemes of Bernard Madoff and Arthur Nadel vividly illustrated the harm done to investors who placed their trust in these apparently successful money managers and then discovered their money had never been invested at all. News stories featured 90-year-olds forced by necessity to work in supermarkets, elderly people losing their homes because their life savings were gone, and wealthy retirees suddenly unable to pay their electricity bills. Charities were forced to curtail their services, lay off staff, and even close their doors forever as their funds evaporated. Almost every day, there are stories in the media about dishonest employees who have robbed their organisations of hundreds of thousands of dollars. Not so well-publicised are the countless smaller thefts occurring every day from cash registers, warehouses, and business bank accounts. Sadly, the organisations that have the most to lose small businesses, family-run companies, churches, and charities are often the most vulnerable because of their size and inexperience. According to the Association of Certified Fraud Examiners, accounting fraud cost over \$994 billion in 2008, and the average organisation lost 7 percent of its total revenue to fraud. How can you prevent this from happening to you as an investor, business owner, or a person attempting to acquire or merge with another firm? Read this book and you will be able to understand, detect, and avoid accounting fraud. You will learn how to identify fraud, how to spot minor abnormalities that may hide fraud, how to spot forgeries, and how to prove your case, as well as what to immediately suspect and methods for uncovering scams. You will know...
