

Lewis and Clark For Dummies

Filesize: 5.44 MB

Reviews

Complete information for publication fanatics. It is actually rally intriguing throgh reading period of time. I am happy to explain how this is actually the greatest publication i actually have read inside my own daily life and may be he finest ebook for possibly.

(Ms. Heidi Rath)

LEWIS AND CLARK FOR DUMMIES

John Wiley & Sons Inc. Paperback. Book Condition: new. BRAND NEW, Lewis and Clark For Dummies, Sammye J. Meadows, The Lewis and Clark expedition was the greatest camping trip in history. It was one of those irresistible American adventures that many people dream of living. This book shares the delightful details of the journey that historians have gleaned from the group's journals and maps, and also discusses what's known of the Indian perspective of the expedition. Throughout the book, you find out about Jefferson's western exploration from his earliest efforts to see the Corps assembled through the aftermath for the explorers, the tribes, and the United States. But the focus of "Lewis & Clark For Dummies" is on the period between Jefferson's confidential letter to Congress requesting dollars to mount a western exploration (January 18, 1803) and the expedition's triumphant (and improbable) return to St. Louis (September 23, 1806): forty-two months that changed the world. Join Lewis and Clark as they recruit the Corps of Discovery, meet Sacagawea and various Indian tribes, and set off along the Missouri River on a thrilling, perilous journey. "Lewis & Clark For Dummies" also covers the following topics and more: the expedition's people and places; Jefferson's fascination with the West; final preparations of Meriwether Lewis; weathering storms to launch the expedition; the discomforts and dangers of the journey; making maps and writing reports; a first look at the Pacific Ocean. The story of Lewis and Clark doesn't end with their return to St. Louis. This book will also lead you on an exploration of the fates and lessons of the Corps of Discovery. Find out what happened to Lewis, Clark, and many other key players after their famous journey. And examine the aftermath for the American Indians and the political and cultural ramifications for the United States....
