Brand New Book ***** Print on Demand *****.Whether you are just getting started with family prayer or looking to broaden your horizons, *77 Ways to Pray with Your Kids* can help, offering practical, kid-friendly guides to Christian prayer practices both ancient and new. While not all of the prayer practices will become a permanent part of your family routine, trying out many different ways of praying will give your kids a great introduction to the wide scope of the Catholic prayer tradition. Along the way, you may find a handful of practices that become a part of your family's routine. Features of *77 Ways to Pray with Your Kids* include: * Age-appropriate adaptations for young children, older kids, and teens. * Articles on a wide range of practices, including Liturgy of the Hours, Answering Jesus Questions, Bite-Size Biblical Prayers, Blessing One Another, Contemplative Prayer, Daily Examen, Lectio Divina, Novenas, Adapting the Rosary for Kids, Grab-bag Prayers, and more. * Talking Points offers a quick explanation of prayer practices that might raise questions from your kids (for example, Why do we pray for the dead?). * Learn more connects you to the relevant section of the Catechism of the Catholic Church and other primary church documents. * An appendix that includes thirty-three common and useful Catholic prayers for easy reference. Theories and philosophies about prayer abound, but when it comes to praying with the kids, we need a guide that is practical, simple, and easy to incorporate. This book is that guide, and I cannot recommend it highly enough! --Leila Miller, Little Catholic Bubble Find online resources to accompany the ideas in this book, as well as additional titles in the Peanut Butter...
