Createspace Independent Publishing Platform, United States, 2015. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****.Mimi used to teach power yoga for a hip urban studio. She had a dream job and was surrounded by great people but her life was going nowhere fast; her boyfriend was a total zero, she was on the down slope to forty, she spent way too much time in her head and she had no idea what she wanted to be when she grew up. After etch-a-sketching her whole life and messing up her health with a bad boob job Mimi loses all her savings and ends up in a foreign country where she cleans toilets, gets healthy, gets some perspective and figures out her purpose in life. Death by YOGA is a modern, funny, sexy, sincere journey from waste-case to wonderful. In SPIRIT, Mimi gets her body back, cares for other people and finds out that she actually knew all along how to make sense of everything she just had to remember how to do it. SPIRIT ends with Mimi sharing the secret to personal happiness with every person she can (and she gets the cute guy too).
