

A Watershed Year (Paperback)

Filesize: 5.14 MB

Reviews

Excellent electronic book and helpful one. Better then never, though i am quite late in start reading this one. You wont truly feel monotony at whenever you want of your time (that's what catalogues are for relating to when you question me).

(Mabelle Dach III)

Amazon Publishing, United States, 2013. Paperback. Book Condition: New. Reprint. 208 x 140 mm. Language: English . Brand New Book. Susan Schoenberger takes us to the softer places of the heart where love in all its forms and glory transforms grief into grace. Patti Callahan Henry, New York Times bestselling author of Driftwood Summer Lucy never confessed her love to her best friend Harlan before he passed away. Two months after his funeral, she is haunted by the power of things left unsaid. But then she receives the first of his e-mails arranged to be sent after his death. So begins the year that everything changes Lucy s watershed year. In an e-mail, Harlan says something that consumes her: He s certain Lucy is destined for motherhood. In her grief, she suddenly rediscovers hope, journeying to Russia to adopt a four-year-old boy. Just as they re learning to trust each other, they must face a threat that might shatter their fragile little family forever. Susan Schoenberger s breathtaking and powerful story of love, loss, redemption and what it means to be a mother will leave you in awe as Lucy, in the depths of her despair, somehow finds joy and embraces the beauty of second chances. With subtle humor and grace, A Watershed Year draws out the ways in which our closest relationships can be imperfect and yet continue to transform us. Juliette Fay, bestselling author of Shelter Me.
