Brand New Book ***** Print on Demand *****.Have you ever caught a sidelong glance of yourself in a department store mirror and been unpleasantly surprised by the out-of-shape character who stares back? Have you ever felt the impulse to destroy all recent photos of yourself? If you relate to these or any other mid-life reckonings about your general state of health, then you re sure to identify with author Walter Scott Allen, the straight-talking, sarcasm-prone family man who woke up, got fed up, and finally got fit. And, even in the face of these dramatic...
