

Marine Corps Tank Battles in Vietnam

Filesize: 3.64 MB

Reviews

It is one of the best publications. It is definitely simplistic but exciting in the 50 % of the ebook. I am very happy to let you know that this is basically the greatest publication I have got to go through within my own existence and could be the greatest pdf for ever.

(Dr. Anya McKenzie)

MARINE CORPS TANK BATTLES IN VIETNAM

Casemate Books. Hardback. Book Condition: new. BRAND NEW, Marine Corps Tank Battles in Vietnam, Oscar E. Gilbert, In 1965 the tanks of 3rd Platoon, B Company, 3rd Tank Battalion landed on a beach near Da Nang, drawing unwelcome attention to America's first, almost covert, commitment of ground troops in South Vietnam. As the Marine Corps presence grew, the 1st and 3rd Tank Battalions, as well as elements of the reactivated 5th Tank Battalion, were committed to the conflict. For the United States Marine Corps the protracted and bloody struggle was marked by controversy, but for Marine Corps tankers it was marked by bitter frustration as they saw their own high levels of command turn their backs on some of the hardest-won lessons of tank-infantry cooperation learned in the Pacific War and in Korea. Nevertheless, like good Marines, the officers and enlisted men of the tank battalions sought out the enemy in the sand dunes, jungles, mountains, paddy fields, tiny villages, and ancient cities of Vietnam. Young Marine tankers fresh out of training, and cynical veterans of the Pacific War and Korea, battled two enemies. The battle-hardened Viet Cong were masters of the art of striking hard, then slipping away to fight another day. The highly motivated troops of the North Vietnamese Army, equipped with long-range artillery and able to flee across nearby borders into sanctuaries where the Marines were forbidden to follow, engaged the Marines in brutal conventional combat. Both foes were equipped with modern anti-tank weapons, and sought out the tanks as valuable symbolic targets. It was a brutal and schizophrenic war, with no front and no rear, absolutely no respite from constant danger, against a merciless foe hidden among a helpless civilian population. Some of the duties the tankers were called upon to perform were long familiar, as they provided firepower...
