

Recycle Bins in Public Places: Recycle on the Go: A Voluntary Code of Practice and Good Practice Guide

By Great Britain: Department for Environment, Food and Rural Affairs

TSO. Paperback. Book Condition: new. BRAND NEW, Recycle Bins in Public Places: Recycle on the Go: A Voluntary Code of Practice and Good Practice Guide, Great Britain: Department for Environment, Food and Rural Affairs, In a time of great public concern about the environment, recycling is becoming an increasingly important part of everyday life. The Government is placing particular emphasis on extending the recycling culture beyond the home and office environments and into public spaces, in order that recycling becomes second nature to all. Made up of two parts - a voluntary code of practice and a good practice guide - this publication is an essential guide for those managing public spaces, from shopping centres and parks, to educational establishments such as schools or universities, or sports stadiums and visitor attractions. Wherever people congregate there should be recycling opportunities and this publication aims to advise and enable the people who manage such spaces to do so effectively. The subjects covered include: how to set up a management process; what types of material to collect; what type of recycling bins should be used and where they should be located; and how to promote the recycling scheme. Advice is non-prescriptive, allowing each scheme to...
