CHRISTIAN APOLOGETICS PAST AND PRESENT (VOLUME 2, FROM 1500): A PRIMARY SOURCE READER

Crossway, 2011. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: "The texts here assembled are 'classics'--not in the sense that they answer all legitimate questions about Christianity, but that, when they were written, they made their readers think hard about the faith, and that they continue to do so today. This is a most worthy collection." --Mark A. Noll, Francis A. McAnaney Professor of History, University of Notre Dame "Understanding apologetics as explicating, affirming, and vindicating Christianity in the face of uncertainty and skepticism, Edgar and Oliphint have skillfully selected the best primary sources to introduce us to this ongoing task. Their work fills a gap in scholarly resources and highlights the strength, wisdom, and solidity of the prominent defenders of our faith." --J. I. Packer, Board of Governors' Professor of Theology, Regent College "This series on the classical traditions of Christian apologetics is, to my knowledge, unmatched in basic compendia. It will equip and encourage thoughtful Christians to develop equally compelling defenses of the faith in our post-Enlightenment, post-Romantic, post-Postmodern era where global interdependencies plunge many into new varieties of suspicion, contempt, and hostility that demand reasonable and faith-filled encounter, dialogue, and debate." --Max L. Stackhouse, De Vries Professor of Theology and Public Life Emeritus, Princeton Theological Seminary "In an age of historical amnesia such as ours, nothing could be more helpful than to know how the church, in its long march through time, has addressed the opponents of Christian faith. This collection is superbly done and will bring much needed wisdom to our own times." --David F. Wells, Distinguished Senior Research Professor, Gordon-Conwell Theological Seminary "Bill Edgar, one of evangelicalism's most valued scholars and apologists, has given us in this work with Scott Oliph a classic destined to be used for generations...."
