The Second Horseman of the Apocalypse spares nothing from his sword, and everyone suffers from his ride. Wars now stretch across the globe, and even those who think themselves safe never know when war shall find them. Fist of God expands on the apocalyptic setting of Rapture, the classic game about the end times. It adds more details and depth to the final war, and gives characters the gear they need to battle the forces of Hell or of Heaven. Fist of God includes: six new advanced classes, including Knights of Malta, the Shadow Corps, Dominicans, Soulless Shootists, and more; new military equipment, ranging from pistols to nuclear missiles, for the battlefields of today and the future; more information on the legions of both Heaven and Hell; and details on the world condition for the original game about the Apocalypse. Requires the use of a Roleplaying Game Core Book published by Wizards of the Coast, Inc.
